

VIVEK KUMAR GUPTA

Bokajan, Karbi Anglong, Assam | 6003444793 | vivekgupta1st@gmail.com | linkedin.com/in/vivek-gupta07221003 | github.com/Vivek-Gupta-7

PROFESSIONAL SUMMARY

Aspiring Graduate Software Engineer / Junior Developer with a B.Tech in Computer Science Engineering and strong fundamentals in programming and computer science. Proficient in Java, Python, and JavaScript, with practical knowledge of Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), and REST APIs. Delivered secure, working applications across two internships and four independent projects. Strong problem-solving, analytical, communication, and teamwork skills, with genuine willingness to learn and work with new technologies.

Key Skills: Java, Python, JavaScript, SQL, Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), REST APIs, Spring Boot, Node.js, Express.js, MongoDB, PostgreSQL, HTML, CSS, Git, GitHub, Problem-Solving, Analytical Thinking, Communication, Teamwork

EDUCATION

The Assam Kaziranga University — B.Tech, Computer Science & Engineering

Aug 2023 – June 2027

CGPA: 8.93 / 10 | Jorhat, Assam

AHSEC — Class XII (Science) — Pranab Jubilee Higher Secondary School

June 2022

72.6%

SEBA — Class X — Pranab Vidyapith

June 2020

67.66%

TECHNICAL SKILLS

- **Languages & Concepts:** Java, Python (Basic), JavaScript, SQL
- **Core CS Fundamentals:** Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), Problem Solving & Analytical Thinking
- **Backend & Frameworks:** Spring Boot, Node.js, Express.js, REST APIs, Maven
- **Databases:** MongoDB, PostgreSQL
- **Frontend:** HTML, CSS, JavaScript
- **Tools:** Git, GitHub, Postman, Docker (basics), Microsoft Excel, PowerBI
- **Soft Skills:** Problem-Solving, Analytical Thinking, Communication, Teamwork, Willingness to Learn New Technologies

EXPERIENCE

Java Development Intern — TRTC, MSME

Jun 2025 – Jul 2025

- Built a Java file encryption/decryption tool; tested on 6–7 files, generating unique decryption keys for authorized access.
- Implemented secure file-handling and input validation logic to protect data confidentiality and integrity.

Java Development Intern — Oasis Infobyte

Jun 2026 – Jul 2026

- Built a Java ATM Interface (OOP) simulating banking operations; tested with 2 user accounts handling deposits/withdrawals totaling ₹1,45,000.
- Built a Guess-the-Number console game in Java with a 7-attempt hint-based guessing system and score tracking.

PROJECTS

File Encryption & Decryption System | Java, Spring Boot, Maven, MongoDB, HTML/CSS/JS

- Built a full-stack Java + Spring Boot app with MongoDB-backed login; tested encryption/decryption on 6–7 files with secure key generation.
- Designed a responsive HTML/CSS/JS frontend for secure login, file upload, and file download.

Duetrack — Smart Customer Due Tracking System | Node.js, Express.js, PostgreSQL

- Replaced manual pen-and-notebook due tracking with a REST API system (Node.js/Express/PostgreSQL); tested with 5 customer records.
- Logged each customer's service, amount paid vs. due, and payment history, giving owners instant visibility of outstanding dues.
- Integrated WhatsApp messaging for automatic payment updates and due-payment reminders, cutting manual follow-up calls.
- Added database migration scripts and environment-based config for scalable deployment; deployed live on Vercel.

OIBSIP — Java Console Applications (ATM Interface & Guess the Number) | Java, OOP

- ATM banking simulator (OOP) and a Guess-the-Number game (7-attempt hint system) built to strengthen Java fundamentals and logic-building.

CERTIFICATIONS

- **CISCO:** Junior Cybersecurity Analyst Career Path (120-hour program)
- **MongoDB:** Basics, CRUD Operations, RAG with Vector Search Fundamentals
- **Microsoft:** AI & Gen AI Basics, Cybersecurity & Copilot (Learnathon '25)
- **IBM:** SkillsBuild — Big Data 101 | **MathWorks:** Statistics Onramp
- **Wadhwani Foundation:** Problem Solving & Innovation

AWARDS

- **1st Position:** North East NSS Festival, Sikkim
- **Best Intern Certificate:** Oasis Infobyte
- **Recognition:** IBM Industrial Training, Kolkata

EXTRACURRICULAR ACTIVITIES

- NSS Volunteer (2 years); University Representative, North East NSS Festival, Sikkim.
- Member, Google Developer Student Clubs (GDSC); Participant, Smart India Hackathon (SIH), Intel Unnati Program.
